Detroit Service Learning Academy District(DSLAD)
K-8 Return to Work Plan

Effective Date: October 21, 2023

Last Reviewed: April 3, 2023

In-Person Instruction

Students will attend school in person according to the established daily schedule. Classes will be conducted with appropriate safety measures in place. Desks will be arranged to maximize physical distancing. Shared resources and materials will be minimized.

Remote/Virtual Learning

Remote learning will be utilized only during periods of ***significant*** health concerns, such as a high number of COVID-19 cases within the school or community. Instruction will be delivered via [chosen online platform] with live classes and recorded lessons. Students will receive training on how to use these tools. (only if necessary)

Hybrid Learning

No Hybrid Learning will be utilized to deliver whole group/classroom instruction/Tiered 1

Mental Health Supports

School counselors/Social Workers will be available to support students' mental health needs. They will provide individual and group counseling sessions as needed.

Resources and Referrals

Resources on managing stress and anxiety will be provided. Referrals to external mental health professionals will be available if necessary.

Staff Training

Staff will receive training on recognizing signs of mental health issues and how to support students effectively.

Addressing Learning Loss

NWEA MAP Assessments will be conducted in the fall, winter, and spring to identify learning gaps. Regular progress monitoring will help tailor interventions to meet individual student needs.

Intervention Programs

Additional tutoring sessions and support programs will be available for students based on academic performance and attendance issues. Summer programs or after-school tutoring will be offered to address significant learning loss.

Student Illness

Students showing symptoms of illness should stay home and report their condition to the school. Parents must notify the school if their child tests positive for COVID-19.

Return-to-School Criteria

Students may return to school only after being symptom-free for 24 hours without medication and meeting isolation/quarantine requirements.

Special Services

Students with IEPs will continue to receive services in accordance with their plans, whether learning in-person or remotely. Special education services will be provided as outlined in each student's IEP, with adjustments made for remote learning if necessary.

Cleaning and Disinfecting

High-touch surfaces such as desks, doorknobs, and restrooms will be cleaned multiple times per day. Classrooms will be disinfected at the end of each school day. Comprehensive cleaning and disinfection will be performed on a scheduled basis.

COVID-19 Testing

COVID-19 testing information and resources will be provided to staff and families. Testing sites will be identified for easy access.

Extracurricular and Field Trips

Extracurricular activities will adhere to the same health protocols as in-person instruction. Activities will be adjusted based on current health guidelines.

Based on current health conditions, field trips will be limited and assessed for safety. Outdoor trips will be prioritized.

Face Coverings (Masks)

Mask use will follow state and local guidelines. Masks may be required during high transmission periods or outbreaks. Masks will be provided for those who need them, and students are encouraged to bring their own.
